If you're looking to spruce up your walls with the work of young British artists, acclaimed photography or a casual masterpiece or two, the London Art Fair (<http://www.timeout.com/london/art/london-art-fair-1>) (**Wed Jan 20-Sun Jan 24 2016**) will certainly be on your radar. As one of the most celebrated art fairs in London (<http://www.timeout.com/london/art/art-fairs-in-london>), it brings together the best in modern British and contemporary art and will be taking over the Business Design Centre in Islington this week. Here are five reasons to visit, whether you're a millionaire or not.

Art Projects: Dialogues

Art Projects is a showcase of emerging art from young galleries such as Kristin Hjellegjerde ('What Your Language Says About You' by Celina Teague, pictured). You'll also find Dialogues, a series of collaborations between UK and international galleries.
